The reason for this document

When you, or anyone else makes a booking for you to participate in a Wedding Inc. Wedding planner course you will need to make, at least, a deposit payment of \$200 to secure your booking for your Wedding Planner training day.

This deposit ensures your experience with Weddinginc will be as memorable and enjoyable as possible.

Once a booking for a venue is made for you then Weddinginc is still liable to the venue for you, even if you cancel the booking.
